

## **EDLINK12 Advisory Board 2002-2004**

The Advisory Board serves as the advisory body of EDLINK12 and all its committees, employees, and agents. It approves policies and procedures for the operation of EDLINK12 and provides direction concerning financial and administrative operations.

Each county in Region 12 and the Education Service Center Region 12 has a voting seat on the Board. In addition, all other telecommunications networks in Region 12 have one non-voting seat on the Board. All Board members shall be superintendents elected by the superintendents of the represented counties and the executive director of the Education Service Center Region 12. Board members serve for a period of two years.
