PDAS Credit: 6 hours

Session #: 016375

Audience: Administrators, Technology Coordinators, Classroom Teachers

i-SAFE's Professional Development Program is a national training program attended by educators and law enforcement to familiarize them with i-SAFE's components and provide them a solid baseline of knowledge in the field of Internet safety. Upon completion of a PDP, attendees are i-SAFE certified and qualified to take the curriculum into the classroom, train others, and/or develop the i-SAFE program within their communities or organizations.

Participants will also need to go to www.isafe.org to register. Once there, go to "Create Account" in order to proceed with registration. This is in addition to registering with ESC Region 12.
