

Health Science Course Crosswalk		Future Possibilities		
1997	2010	4 x 4	ATC	End of Program Licensure/Certification
Introduction to Health Science Technology	Middle school course			
Health Science Technology I	Principles of Health Science			
Health Science Technology II	Health Science		x	
Health Science Technology III	Practicum in Health Science		x	Certified Coding Associate (CCA) Certified Medical Assistant (CMA) Certified Nurse Aide Dental Assistant (CDA) Dental Radiographer (RHS) Emergency Care Attendant Emergency Medical Dispatcher Emergency Medical Technician-Basic Licensed Vocational Nurse (LVN) Pharmacy Technician (CPhT) Phlebotomy Technician Sterile Processing and Distribution Technician
Medical Terminology	Medical Terminology		x	
Health Science Independent Study	Problems and Solutions			
Science Credit				
Medical Microbiology	Medical Microbiology	x		
Pathophysiology	Pathophysiology	x		
Anatomy and Physiology of Human Systems	Anatomy and Physiology	x		
Scientific Research and Design	Scientific Research and Design-STEM	x		
Fourth Science Recommendations				
	World Health Research	x	x	
Innovative-Introduction to Biotechnology	Bioscience Applications	x	x	
Innovative Course				
Medical Biotechnology II	Stays innovative			
Move to Innovative				
Clinical Nutrition				
Mental Health				
Pharmacology				
Gerontology
