

Transportation, Distribution and Logistics Course Crosswalk		Future Possibilities		
1997	2010	4 x 4	ATC	End of Program Licensure/Certification
Aerospace Aviation Technology I	Embedded in Aircraft Technology			
Aerospace Aviation Technology II	Embedded in Advanced Aircraft Technology			
Aircraft Mechanics I	Energy, Power and Transportation Systems			
Aircraft Mechanics II	Aircraft Technology			
Aircraft Mechanics III	Advanced Aircraft Technology		x	
Automotive Specialization	Embedded in Energy, Power and Transportation Systems			
Automotive Technician I	Energy, Power and Transportation Systems			
Automotive Technician II	Automotive and Diesel Technology			
Introduction To Transportation Service Careers	Principles of Transportation, Distribution and Logistics			
Energy, Power and Transportation Systems	Energy, Power and Transportation Systems			
Transportation Service Technician	Energy, Power and Transportation Systems			
Automotive Technician III	Advanced Automotive and Diesel Technology		x	Advanced Engine Performance Specialist Hydraulics Specialist Certification
Automotive Collision Repair And Refinishing Technology I	Energy, Power and Transportation Systems			
Automotive Collision Repair And Refinishing Technology II	Collision Repair and Refinishing			
Automotive Collision Repair And Refinishing Technology III	Advanced Collision Repair and Refinishing		x	Collision and Repair and Refinish Certificate I-CAR Certification
Diesel Mechanics I	Automotive and Diesel Technology			
Diesel Mechanics II	Advanced Automotive and Diesel Technology		x	
Diesel Mechanics III	Practicum in Transportation, Distribution and Logistics			
Marine Engine Repair I	Energy, Power and Transportation Systems			
Marine Engine Repair II	Small and Marine Engine Technology			
Marine Related Occupations	Embedded in Small and Marine Engine Technology			
Small Engine Repair I	Energy, Power and Transportation Systems			
Small Engine Repair II	Small and Marine Engine Technology			
Automotive Technician II	Automotive and Diesel Technology			
	Transportation Systems Management			
	Advanced Transportation Systems Management		x	Powered Industrial Truck Forklift Operator
	Logistics, Planning and Management Systems			
	Advanced Logistics, Planning and Management Systems		x	

Fourth Science Recommendation				
	Transportation, Distribution and Logistics Science Concepts	x		
Fourth Math Recommendation				
	Transportation, Distribution and Logistics Math Applications	x		
Innovative Courses				
Aerospace Aviation Technology III	stays innovative			
Ford And GM Automotive Head Start	Automotive and Diesel Technology			
Small Engine Repair III	Advanced Small and Marine Engine Technology		X	
Truck Driving	stays innovative			
Transportation Service Technician	Energy, Power and Transportation Systems			
Private Pilot Certification Training I	stays innovative			
Private Pilot Certification Training II	stays innovative			
Introduction To Aviation	Embedded in Energy, Power and Transportation Systems			
Automotive Service Consultant I	Energy, Power and Transportation Systems			
Automotive Service Consultant II	Practicum in Transportation, Distribution and Logistics
