

Announcing ESC Region 12 G/T Online Courses Spring 2009

ESC Region 12 is providing an opportunity for teachers and administrators to obtain their G/T credit hours online. TEA has developed a series of five online courses that are designed to be basic training. However, some districts may choose to count them as six hour G/T updates. New this spring is a 12 hour G/T course designed to teach research skills that may be used as update hours.

Each session is limited to 25 participants.

Fee: \$90.00 per session

\$45.00 G/T Co-op

Participants have 10 days after registration closes to drop a course and receive a full refund. After that time, no refund will be made.

Registration is available online at

www.esc12.net
