

# Response to Intervention

## SYMPOSIUM on the SQUARE

## Don't miss these opportunities

Attend two special conferences packed with strategies to meet the "Response to Intervention" federal mandate featuring **Dr. Larry Lezotte**, the preeminent spokesman for Effective Schools research and implementation.

### Spend the Pre-Conference with Dr. Larry Lezotte at ESC Region 12, Waco

#### Response to Intervention Pre-Conference April 3, 2008 ~ Session #28158

9:00 am - 4:00 pm, Thursday, April 3, 2008  
ESC Region 12, 2101 West Loop 340, Waco

Participants will have a day with Larry Lezotte to identify the specifics to implement school improvement that will directly affect student achievement on TAKS. Each participant will need to purchase Dr. Lezotte's "Assembly Required" which will be available at ESC Region 12 before training.

**Fee: \$125 + \$25 for the book "Assembly Required" by Dr. Larry Lezotte**

### Attend the RTI Symposium at the Waco Convention Center

#### Symposium on the Square - "A Systemic Approach to RTI, TAKS, and School Improvement" April 4, 2008 ~ Session #28159

9:00 am - 4:15 pm, Friday, April 4, 2008  
Waco Convention Center, 100 Washington Ave.

Nationally recognized speakers including Dr. Larry Lezotte and Dr. Randy Sprick will present validated information regarding the systemic implementation of the RTI model. Administrators, teachers, speech pathologists, special education personnel, and counselors are invited to hear an array of presentations on resource allocation, personnel issues, legal implications, research based reading programs, and more. Speakers will view research based on proven practices to improve student achievement and school success. See schedule on the back.

**Symposium Fee: \$125**

#### Conference Notebook Available

Handouts for the conference will be provided on a CD. If you would like to purchase a notebook, **you must also register for Session #28579 by March 20**. The notebook is an additional \$25 fee and is not included in the conference registration.

Response to Intervention (RTI) is the practice of providing high-quality instruction and interventions matched to student need. This is accomplished through an integrated approach to teaching encompassing general and special education programs. Implementation of RTI requires leadership, collaborative planning, and implementation by professionals across the education system and by stakeholders in the community.
