PROTECTING STUDENTS

IN THE 21ST CENTURY: WHAT YOU NEED TO KNOW

The Protecting Students in the 21st Century Library is a comprehensive, online internet safety program that involves your students, teachers, and parents to keep teens safe online and with their cell phones. In addition to the online curriculum and training lessons, the program includes assessments, quizzes, and a safety pledge for students, safety plans for teachers, and a self-assessment and resources for parents.

What Students Need to Know
Who is out there and what can happen to me?
