## Reading Focus Assessments

These short formative assessments are focused on a single standard at various levels in order to provide teachers data for intervention and extension.

## Enhanced Graphics

With most assessments transitioning online, we are updating and optimizing our graphics for an online rendered environment.

## 1:1 Spanish Translation

All of our elementary math, science, and social studies items are now 1-1 English and Spanish items providing thousands of new items for our bilingual classrooms.

## More Original Passages

In response to HB 3906, we have added cross-curricular passages for ELA; in response to your requests, we have added more drama selections.

## Multi-Tiered Items

We include items at various levels of rigor within a standard so teachers can get a full view of student strengths and weaknesses.

## Kinder-1st Pilot

The addition of new item types has expanded capability to assess our youngest students. The pilot will include items for core content areas researched and designed by K-1 experts.
