**Notes:**

1. TEC, Chapter 21, Section 21.451 outlines staff development requirements for school districts. Among those requirements are that the staff development must be designed to improve education in the district and must be predominantly campus-based. Several topics that may be a part of the district staff development offerings are listed including technology, conflict resolution, discipline strategies, responding to reported incidents of bullying, and digital learning. It also may include what is permissible under law including opinions of the United States Supreme Court regarding prayer in public schools. Those trainings listed in Section 21.451 that are mandatory are included in the chart above.
2. TEC, Chapter 11, Section 11.252 states that the district improvement plan must include provisions for "staff development for professional staff of the district" as a "strategy for improvement of student performance."
3. TEC, Chapter 21, Section 21.054 outlines continuing education requirements for educators, including classroom teachers, principals, and counselors. Section 21.0541 allows an educator to receive continuing education credit for completion of a course on the use of an automated external defibrillator. The 2019 Legislative session added many requirements regarding mental health issues including grief and trauma to the continuing education requirements.
4. TEC, Chapter 38, Section 38.0041 (c) requires training in sexual abuse, sex trafficking, and other maltreatment of children with significant cognitive disabilities as part of the new employee orientation.
5. TAC, Title 19, Part 2, Chapter 97, Subchapter EE, Division 1 describes the various trainings required of campuses/districts in need of improvement.
6. Many grants require grantees to participate in specified Professional Development activities.
