General technical assistance and support via phone, email, or Zoom; initial "getting started" consultation up to one hour.

APPLICATION REVIEW CONSULTATION | \$750

LEA staff submit initial draft of application for ESC Region 12 staff to review and provide feedback around application components. LEA staff walk through the application while ESC Region 12 staff facilitate conversation around considerations and next steps.

MONTHLY WORKGROUP COHORT | \$2000

Session #338580 | Deadline to join is October 1st

ESC Region 12 staff provide support and facilitation at monthly workgroup meetings. The format will be virtual learning every month, from September through February, that focus on each section of the Readiness Checklist. Workgroups will form with each cohort allowing a period of at least five months to gather and collaborate on best practices. The workgroup time will provide relevant teach pieces followed by action items to complete with stakeholders prior to the next meeting. LEAs should invite all staff members in the core TIA team to each cohort workgroup meeting.

ESC12 is offering an exclusive 6-part learning series for Cohort E districts.

All sessions will be via Zoom, 9 a.m. - 12 p.m., and will offer learning of the following TIA components as well as sheltered work time.
